

MINORITY FRONT MOTION: Geographical Name Changes Arts and Culture

Madam Speaker,

The Minority Front notes that the geographical naming process is to become less cumbersome,

Further noting, that, public education through hearings will assist communities to initiate name changes based on historic considerations,

This Hon. House resolves to call on the Hon. MEC of Arts and Culture to annually take political party inputs into this process, as well.

Moved by Shameen Thakur-Rajbansi

Leader of the Minority Front
